Masters’ International Games 1992-2018

This list shows the Masters’ International Speed Skating Games, Allround and Sprint, that have taken place during seasons 1991/92 through 2017/18. These Games are initiated by, and held under the conduct of, the IMSSC (International Masters’ Speed Skating Committee) previously named ISSSC (International Seniors’ Speed Skating Committee). In terms of the ISU they are International Competitions, but in the Masters’ community they are considered the unofficial Masters’ World Championships. The event names are written in consistency with the announcements.
